Aloe Vesta Clear Antifungal Ointment

Drug Facts

Active Ingredient

Miconazole Nitrate 2 percent

Purpose

Antifungal

Uses

- Cures most athlete's foot (tinea pedis), jock itch (tinea cruris), and ringworm (tinea corporis).
- Relieves itching, scaling, cracking, burning, redness, soreness, irritation, and discomfort that accompany these conditions.
- For treatment of most superficial skin infections caused by yeast (candida albicans).
- Follow a physician's instructions when treating Candida.

Warnings

For external use only.

Do not use on

children under 2 years of age unless directed by a physician.

When using this product,

avoid contact with eyes.

If irritation occurs

or if there is no improvement within 2 weeks for jock itch, or 4 weeks for athlete's foot or ringworm, discontinue use and consult a physician.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Clean the affected area and dry thoroughly.

- Apply a thin layer of ointment over affected area twice daily (morning and night) or as directed by a physician.
- Supervise children in use of this product.

For athlete's foot: Pay close attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily. **For athlete's foot and ringworm,** use daily for 4

weeks.

For jock itch: use daily for 2 weeks

- If condition persists longer, consult a physician.
- This product is not effective on the scalp or nails.

Inactive Ingredients

Aloe Barbadensis Leaf Extract, Bis-Diglyceryl Polyaccladipate-2, Light Mineral Oil, White Pertolatum
